MariJane Lopez-Taff, Councilwoman and District 2 Representative
Approximate Community Residents: 30-35

IMPACT OFFICER REPORT: No Report made. Lt Wells and Dog in training, L.E. attended.

January CHASEN Community meeting was kicked off with Pizza, Games and Visiting.

The community was invited to attend the January meeting to have fun with the only intended business to be conducted; getting to know neighbors and new folks in attendance.

There were approximately 10-15 new neighbors signed into the meeting.

Several tables of seating for 8 were set up to engage comfortable eating and conversation throughout the evening.

A game of Guess / "What am I?" was a great success. Participants were tagged with a sticker containing the name of an item on their backs, they had to ask yes/no questions to others to narrow down the answers.

Other games included cornhole. While most guests seemed perfectly happy to remain seated, mingling and active games were not utilized.

Food included 5 different kinds of pizza and vegetable trays with ranch dip. Dessert included a variety of cookies. Beverages were also provided, although water as always seems to be the drink of choice.

CHASEN hosted door prize drawings, tickets were given as attendees arrived free of charge, ramping up the "giving is fun" atmosphere in which 5 neighbors; Stan Deckwa, Mich Peurifoy, Ivy Arno, Claudia Shirley and Diane Louise received a gift to take home.

Many positive comments were received by CHASEN Board Members, the fun was enjoyed and the new time of 6:30pm was preferred by some as evening closure for them was early rather than later.

The **Announcement Board** contained reminders for the following:

Feb 1st Complete Street Ph 1 review of Old Auburn & Fair Oaks Intersection meeting at Sunrise Tech Cntr 5-7pm

Feb 20th Next CHASEN meeting guest speaker CHPD Chief Turcotte. Bring Questions and Concerns!

HART Winter Sanctuary Host Churches/facilities and needs for assistance.
